e-e

/ē/

ed ★

Note: When we use the e-e, it is most commonly used within multisyllabic words. There are few single syllable words that are used with the e-e.

Chant:

Here we have the long e
Did you see that great athlete?
e-e - athlete - /e/
Come on and follow me!
e - me - /e/

e-e

/ë/

e

k

•Note: When we use the e-e, it is most used within multisyllabic words.

Open syllable e is used most commonly in two syllable words in the first syllable. Y makes the ending long e at the end of words with more than one syllables.

Chant:

Here we have the long e
Did you see the great athlete?
e-e - athlete - /e/
Come on and follow me!
e - me - /e/
Please don't eat my candy!
y - candy - /e/

e-e ea ee

/è/

ey

Chant:

Note: Remind students we hear the long e sound from the letter y when there is more than one syllable. This is more commonly seen than -ey. The grapheme -ey is not commonly found in our language.

Here we have the long e
Did you see the great athlete?
e-e - athlete - /e/

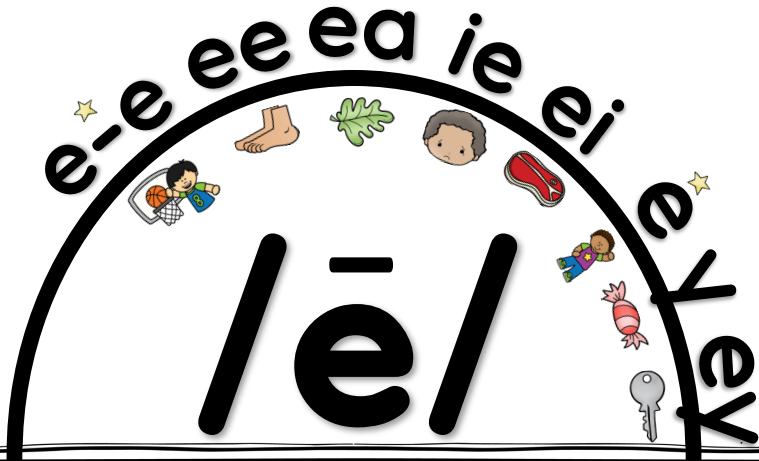

Did you see the bright green leaf?
ea - leaf - /e/

Do you smell the stinky feet?
ee - feet - /e/

Come on and follow me!
e - me - /e/

Please don't eat my candy!
y - candy - /e/

Don't forget to grab the key!
ey - key - /e/

Chant:

Note: Remind students we hear the long e sound from the letter y when there is more than one syllable. This is more commonly seen than -ey. The grapheme -ey is not commonly found in our language.

Here we have the long e
Did you see the great athlete?
e-e - athlete - /e/

Do you smell the stinky feet?
ee - feet - /e/

Did you see the bright green leaf?
ea - leaf - /e/

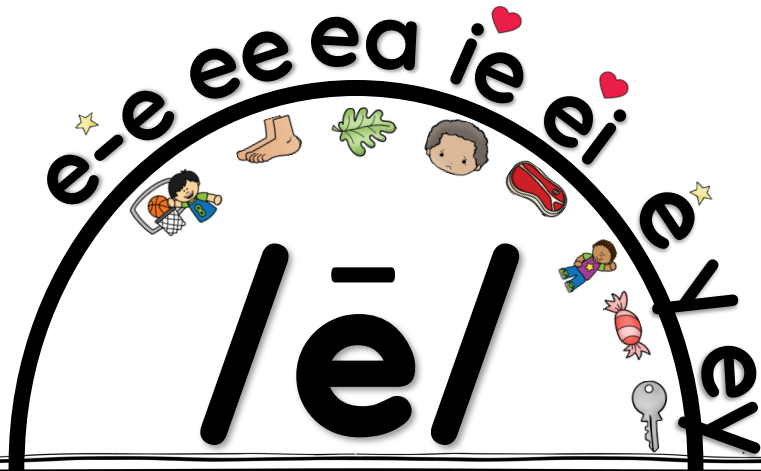

I'm so sad I'm full of grief.
ie - grief - /e/

Make sure that you eat protein!
ei - protein - /e/

Come on and follow me!
e - me - /e/

Please don't eat my candy!
y - candy - /e/

Don't forget to grab the key!
ey - key - /e/

Chant:

Note: Remind students we hear the long e sound from the letter y when there is more than one syllable. This is more commonly seen than -ey. The grapheme -ey is not commonly found in our language.

Here we have the long e

*

/

ou

/

Examples:

Here we have the /ou/ sound

Can you see the big cloud?

ou - cloud - /ou/

The king and queen wear a crown!

ow - crown - /ou/

Note Ow can say /ou/ & /ō/. Remind students that normally we hear the /ou/ sound whenever there is an L or an N following the -ow pattern. (Crown & Owl)

au

/au/

au

Examples:

Would you like some spicy sauce?

au - sauce - /au/

That crab has a giant claw!

aw - claw - /au/

au

/au/

o
u
z
n

Examples:

Would you like some spicy sauce?

au - sauce - /au/

That crab has a giant claw!

aw - claw - /au/

Note: We typically hear the /aw/ sound at the ending of words unless it is followed by a K or N. (ex: hawk, dawn)

au a/

/au/

o
u
z
*

Examples:

Would you like some spicy sauce?

au - sauce - /au/

Make sure you take the time to walk!

al - walk - /au/

That crab has a giant claw!

aw - claw - /au/

Note: We typically hear the /aw/ sound at the ending of words unless it is followed by a K, L, or N. (ex: hawk, dawn, crawl)

au

a/

/au/

au

Examples:

Would you like some spicy sauce?

au - sauce - /au/

Make sure you take the time to walk!

al - walk - /au/

That crab has a giant claw!

aw - claw - /au/

-al is most commonly found in trick words like walk or talk.

au

a/

ough

aw

K, L & N

/au/

Examples:

Would you like some spicy sauce?

au - sauce - /au/

Make sure you take the time to walk!

al - walk - /au/

Did you see what I caught?

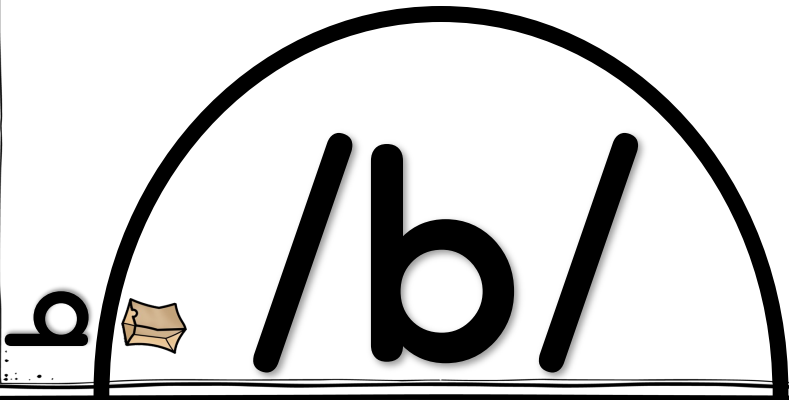

augh - caught - /au/

That crab has a giant claw!

aw - claw - /au/

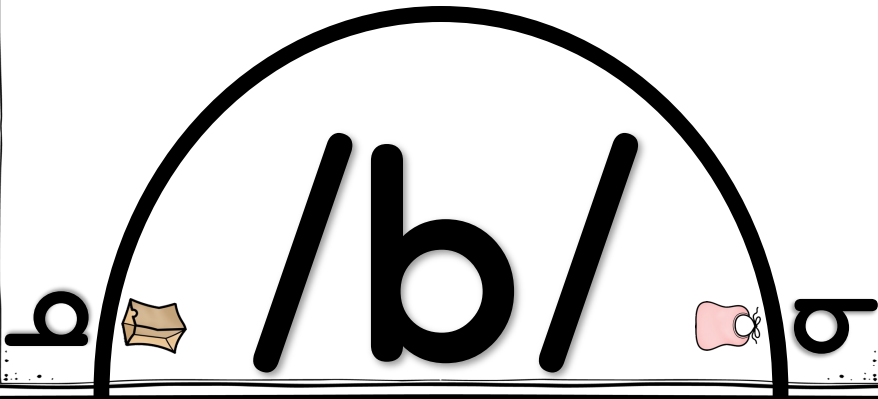

-al is most commonly found in trick words like walk or talk.
The -augh is used when there is a /t/ following it.

Single Consonants

Chant:

We can hear /b/ in the beginning,
b - bag - /b/

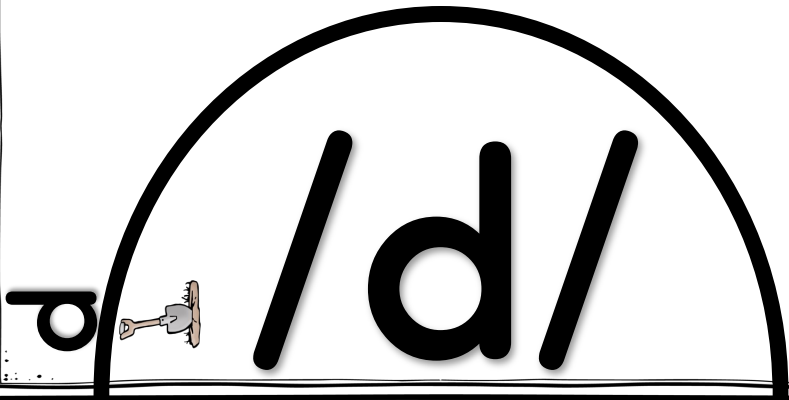

Chant:

We can hear /b/ in the beginning,

b - bag - /b/

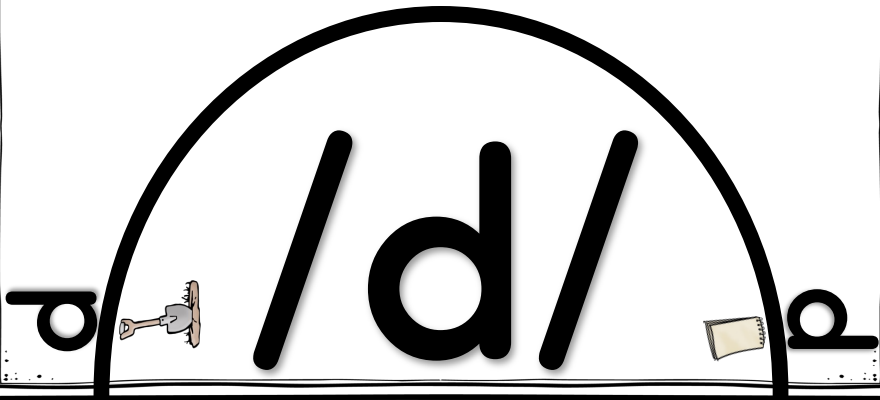

We can hear /b/ at the end,

b - bib - /b/

Chant:

We can hear /d/ in the beginning,
d - dig - /d/

Chant:

We can hear /d/ in the beginning,

d - dig - /d/

We can hear /d/ at the end,

d - pad - /d/

f

/f/

ff

Chant

We can hear /f/ at the beginning,

f - fin - /f/

We can hear /f/ at the end

ff - sniff - /f/

We see this between syllables and at the end of words

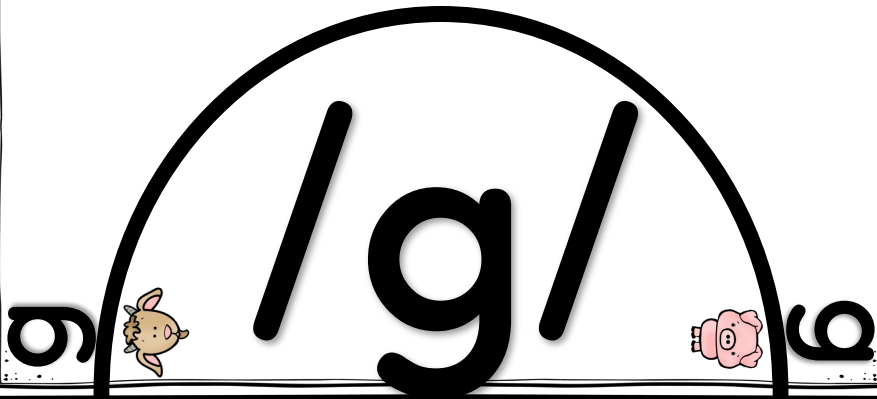

For Doubling ff at the end of words,
remind students of the following chant:

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

Chant:

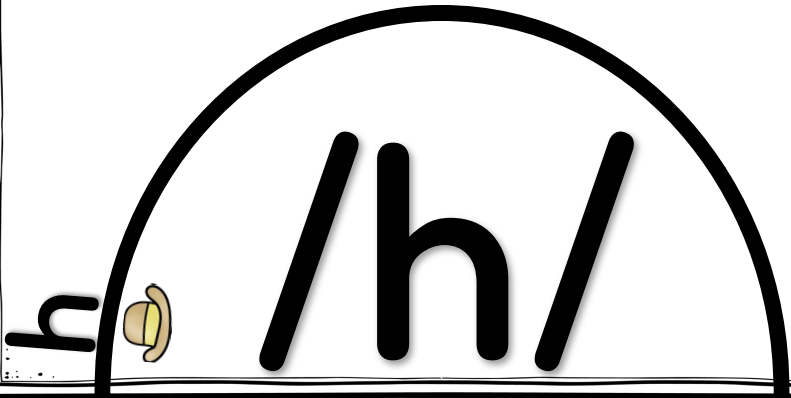

We can hear /g/ in the beginning,
g - goat - /g/

Chant:

We can hear /g/ in the beginning,
g - goat - /g/

We can hear /g/ at the end,
g - pig - /g/

Chant:

We can hear /h/ in the beginning,
h - hat - /h/

/j/

Chant:

We can hear /j/ in the beginning,
j - jet - /j/

jg

/j/

Chant:

We can hear /j/ in the beginning,
j - jet - /j/
G says /j/ when followed by I or E,
g - gem - /j/

Note: We typically hear the /j/ sound
from the letter g when it is followed by
an e or an i.

jg

/j/

ge

Chant:

We can hear /j/ in the beginning,
j - jet - /j/
G says /j/ when followed by I or E,
g - gem - /j/
Make sure that you close the cage!
ge - cage - /j/

Note: We typically hear the /j/ sound
from the letter g when it is followed by
an e or an i.

jg

/j/

ge
dge

Chant:

We can hear /j/ in the beginning,
j - jet - /j/
G says /j/ when followed by I or E,
g - gem - /j/
Make sure that you close the cage!
ge - cage - /j/
Would you like to see my badge?
dge - badge - /j/

Note: typically hear the /j/
sound from the letter g when it
is followed by an e or an i.

Note: -ge is used after long
vowels and -dge is used after
short vowel patterns.

k

c

/k/

Chant:

Do you hear the kitty cat?

c - cat - /k/

Please don't fly my kite like that!

k - kite - /k/

Note: K takes I and E, C takes the other three!

k

c

a, o, u

i, e

/k/

Chant:

Do you hear the kitty cat?

c - cat - /k/

Please don't fly my kite like that!

c k c k c

Chant:

Do you hear the kitty cat?

c - cat - /k/

Please don't fly my kite like that!

k - kite - /k/

Did you hear the clock chime?

c - clock - /k/

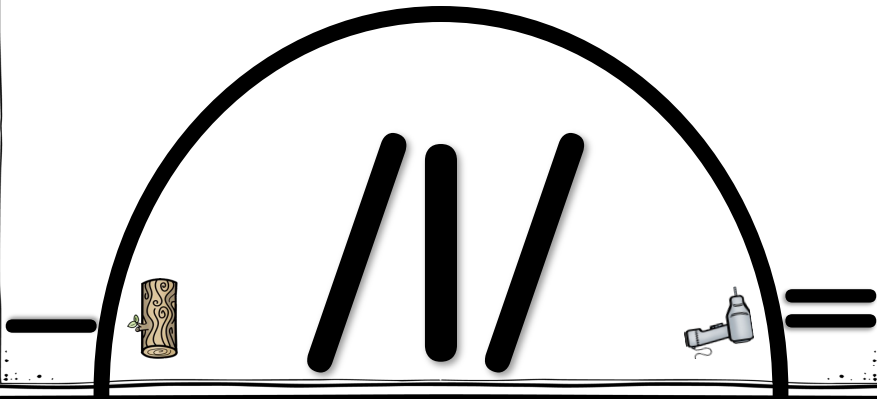

Did you bake the cake in time?

k - cake - /k/

The music sounds just fine.

k - music - /k/

•Note*: typically hear the /k/ sound from the letter k at the end of words with a long vowel sound. -ck makes the /k/ at the end of single syllable words with a short vowel sound. We use c to make the /k/ at the end of words with more than one syllable & a short vowel sound.

Examples:

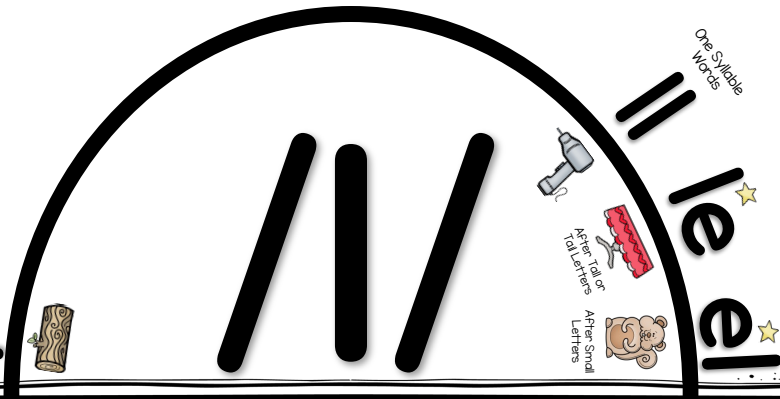

Did you cut the log like that?

l - log - /l/

Use the drill to drill it flat!

ll - drill - /l/

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

Examples:

Did you cut the log like that?

l - log - /l/

Use the drill to drill it flat!

ll - drill - /l/

Did you set the table, Pat?

le - table - /l/

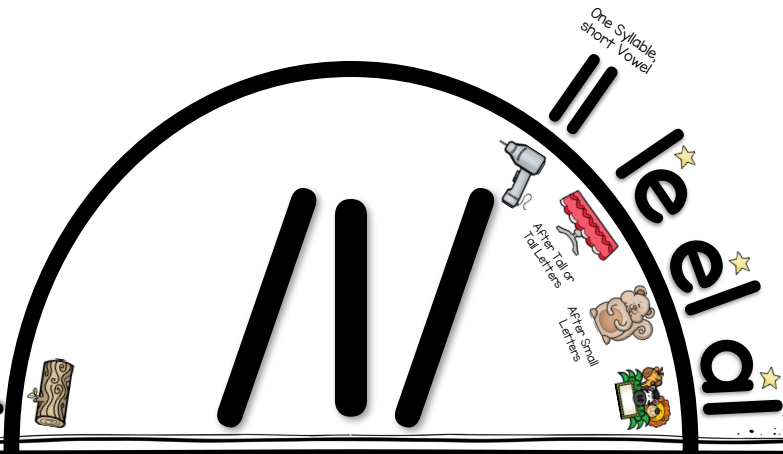

There's a squirrel, it just sat!

el - squirrel - /l/

For Doubling LL, remind students of the following chant:

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

- ll: Drill (we see this at the end of words with a short vowel)
- le: Table (We see this after tall or tail letters)
- el: Squirrel (We see this after small letters)

Examples:

Did you cut the log like that?

l - log - /l/

Use the drill to drill it flat!

ll - drill - /l/

Did you set the table, Pat?

le - table - /l/

There's a squirrel, it just sat!

el - squirrel - /l/

We're at the zoo, which animal is that?

al - animal - /l/

For Doubling LL, remind students of the following chant:

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

- ll: Drill (we see this at the end of words with a short vowel)
- le: Table (We see this after tall or tail letters)
- el: Squirrel (We see this after small letters)

ε

gn

Chant:

Did you catch it in the net?

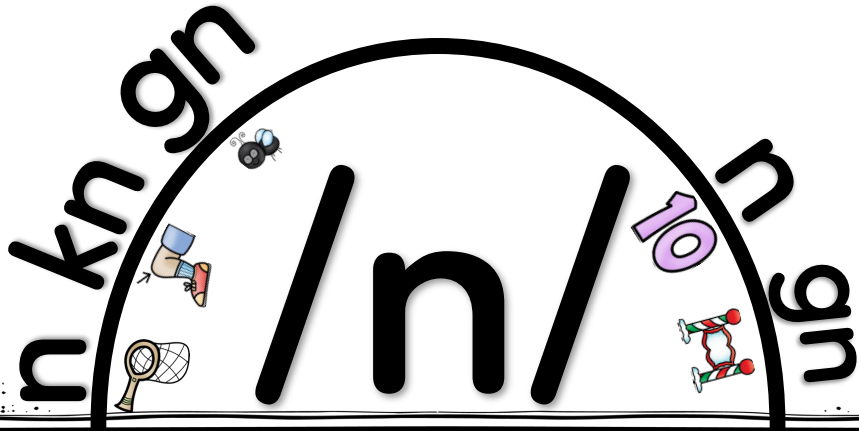

n - net - /n/

Have you turned ten yet?

n - ten - /n/

Did you pass the holiday sign?

-gn - sign - /n/

Chant:

Did you catch it in the net?

n - net - /n/

I just hit my knee on that!

kn - knee - /n/

Did you see that little gnat?

gn - gnat - /n/

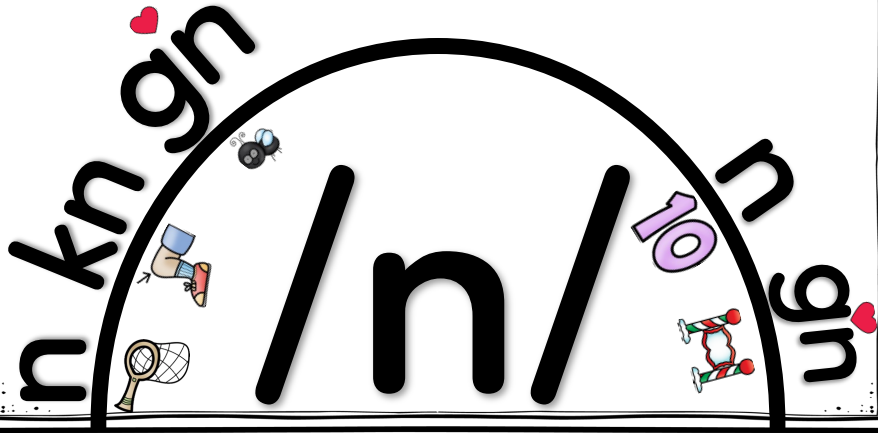

Have you turned ten yet?

n - ten - /n/

Did you pass the holiday sign?

-gn - sign - /n/

gn is very rarely found within the English language

Chant:

Did you catch it in the net?

n - net - /n/

I just hit my knee on that!

kn - knee - /n/

Did you see that little gnat?

gn - gnat - /n/

Have you turned ten yet?

n - ten - /n/

Did you pass the holiday sign?

-gn - sign - /n/

gn is very rarely found within the English language

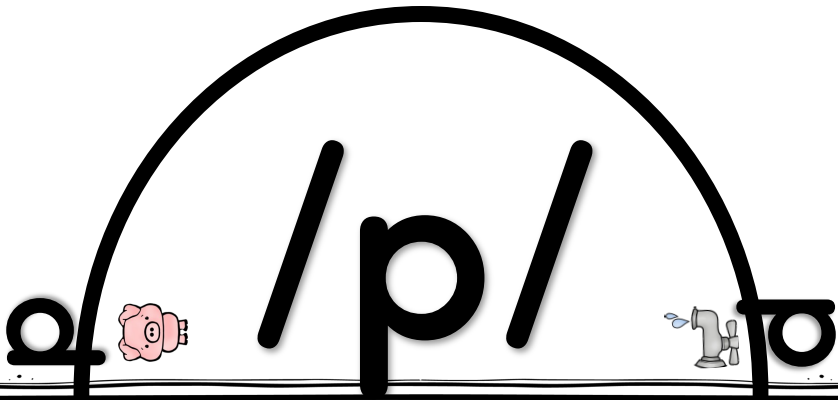

q

/p/

Chant:

Did you look at Peggy Pig?
p - pig - /p/

Chant:

Did you look at Peggy Pig?

p - pig - /p/

Make sure you turn off the tap!

p - tap - /p/

qu

/kw/

Examples:

Look - it's the new queen!
qu - queen - /kw/

Note QU is used at the beginning of words or syllables.

Examples:

Woah! did you just see that rat?
r - rat - /r/

Note: We do not typically hear the /r/ at the end of words because of r-controlled vowels. The /r/ sound is most commonly heard at the beginning of words or in words with r beginning blends.

s

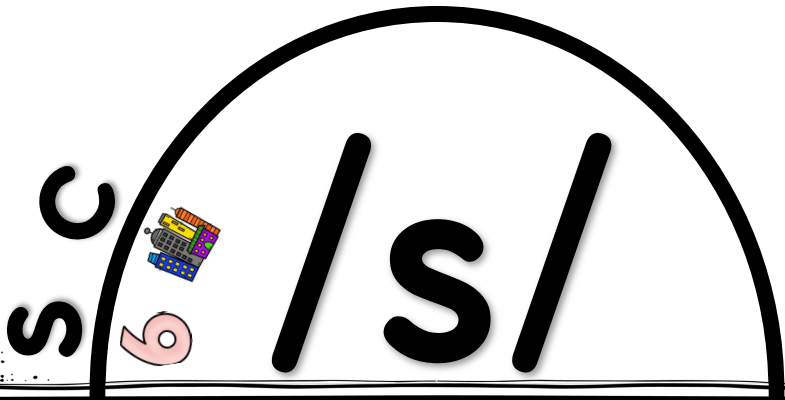

9

/ S /

Chant:

Can you count to six with me?

s - six - /s/

Chant:

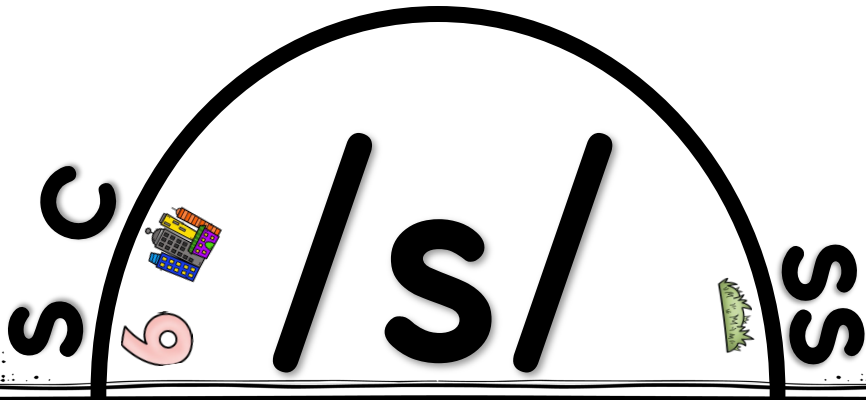

Can you count to six with me?

s - six - /s/

Let's take a drive through the big city!

c - city - /s/

Note: When the letter c is followed by an e, i, or y, it will make the soft sound which produces the /s/ sound.

Chant:

Can you count to six with me?

s - six - /s/

Let's take a drive through the big city!

c - city - /s/

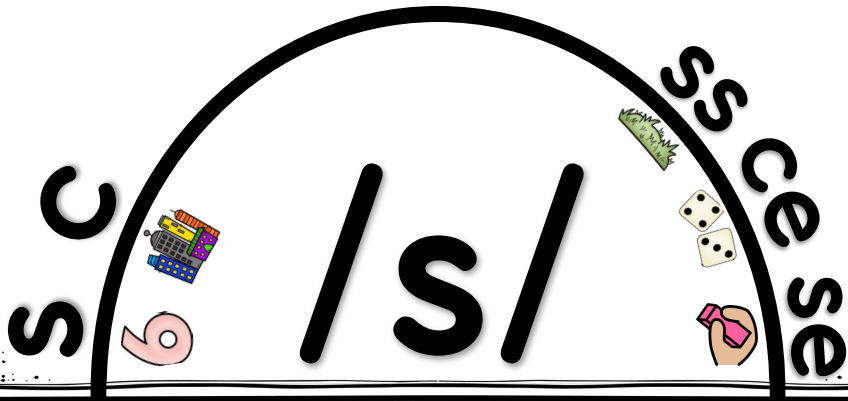

Did you mow the grass today?

-ss - grass - /s/

For Doubling s, remind students of the following chant:

Note: When the letter c is followed by an e, i, or y, it will make the soft sound which produces the /s/ sound.

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

Chant:

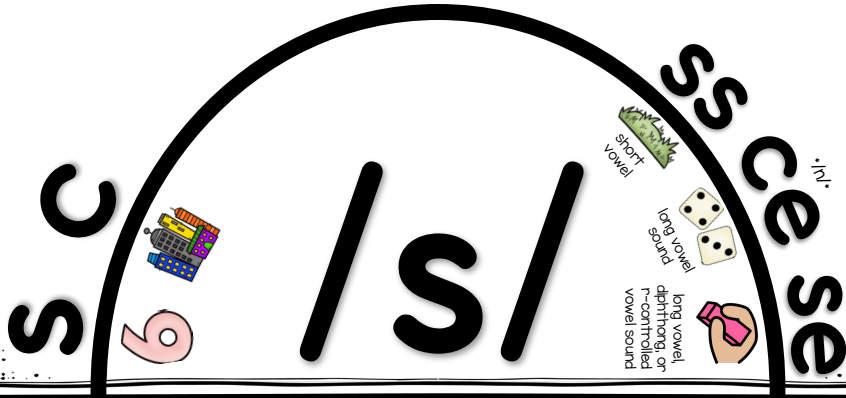

Can you count to six with me?
s - six - /s/
Let's take a drive through the big city!
c - city - /s/
Did you mow the grass today?
-ss - grass - /s/
It's your turn to roll the dice!
-ce - dice - /s/
Don't forget to erase the board!
-se - erase - /s/

For Doubling s, remind students
of the following chant:
F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

Note: When the letter c is followed by an e, i, or y, it will make the soft sound which produces the /s/ sound.

Note: -ce is more commonly found in nouns than -se. However, we typically see -ce with nouns and -se with verbs. -se is more frequently seen with diphthongs or r-controlled vowels.

Note if there is an /n/ before the /s/ at the end of a word, use -ce. (Dance, Prance)

x - fox - /ks/

Chant:

Did you see the yellow sun?
y - yellow - /y/

N

/ z /

S

Chants:

Did you zip up your coat?

z - zip - /z/

Did you smell the lovely rose?

s - rose - /z/

There are many ways the s produced the /z/ sound.

If there is a voiced consonant before the /z/ (suffixes), usually if the /z/ is between two vowels (reason) if the /z/ is between vowels in a word that is a verb (excuse), or if there is a voiced consonant after the /s/ (wisdom).

Z

/ z /

S

z z

Chants:

Did you zip up your coat?

z - zip - /z/

Did you smell the lovely rose?

s - rose - /z/

Did the bee buzz by your nose?

zz - buzz - /z/

For Doubling ZZ, remind students of the following chant:

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

There are many ways the s produced the /z/ sound. If there is a voiced consonant before the /z/ (suffixes), usually if the /z/ is between two vowels (reason) if the /z/ is between vowels in a word that is a verb (excuse), or if there is a voiced consonant after the /s/ (wisdom).

Z

/ z /

i, e

/k/

c k

Chant:

Do you hear the kitty cat?

c - cat - /k/

Please don't fly my kite like that!

k - kite - /k/

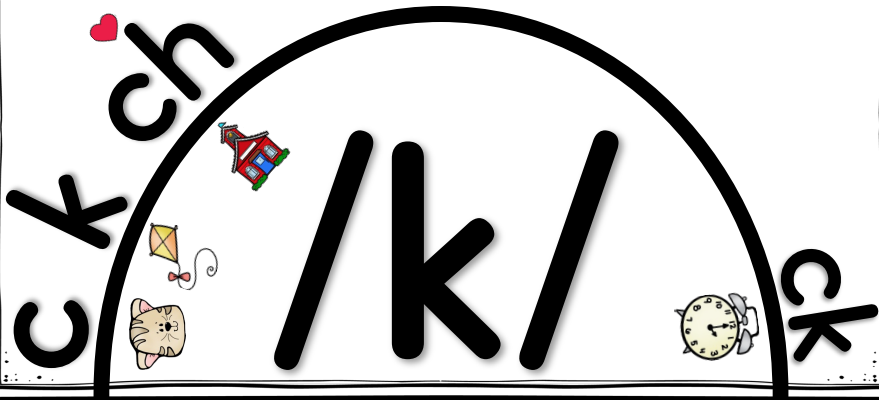

Did you hear the clock chime?

c - clock - /ck/

For -ck, remind students of the following chant:

The only way we can use ck,
if it's following a short vowel- Ay!

K takes i and e, C takes the other three!

Chant:

Do you hear the kitty cat?

c - cat - /k/

Please don't fly my kite like that!

k - kite - /k/

Make sure you go to school on time!

ch - school - /k/

Did you hear the clock chime?

c - clock - /k/

K takes i and e, C takes the other three!

For -ck, remind students of the following chant:

The only way we can use ck,
if it's following a short vowel- Ay!

Note: We see ch make the /k/ sound in words that originate from the Greek.

This is a guest appearance word -
students can map out the word and put
a star on that part to help build spelling
retention.

f ph

/f/

ff ph

Chant

Did you see the shark fin?

f - fin - /f/

Can I call you on the phone?

ph - phone - /f/

Did you sniff the flower, friend?

-ff - sniff - /f/

Can you put that in a graph?

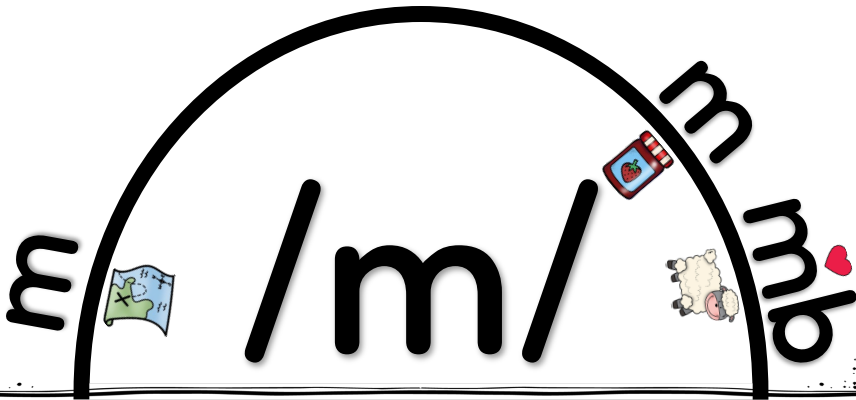

-ph - graph - /f/

For Doubling ff at the end of words,
remind students of the following chant:

F, L, S, and Sometimes Z,
do I need two let's check and see!
Here we have a short vowel,
so I need 2 I'll show you how!

Words that come from a Greek origin are the
ones that are spelled with ph.

Ex: sphere, graph, photo, photograph, etc.

Chants:

Make sure that you check the map!

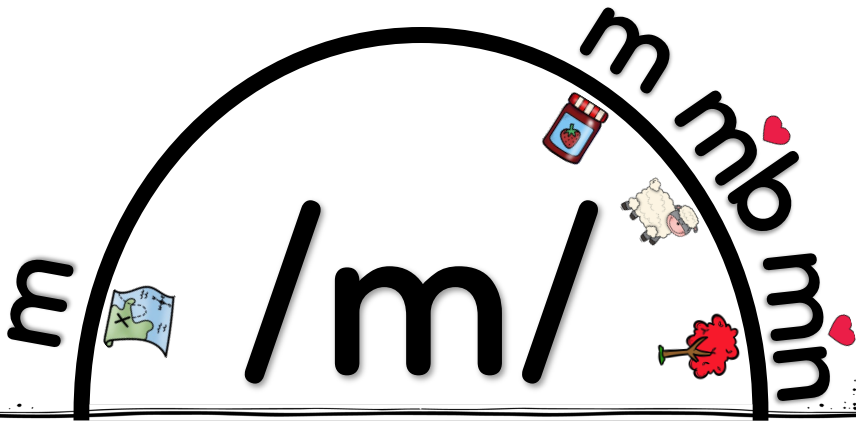

m - map - /m/

Put the lid on the jam!

m - jam - /m/

Look at the fluffy lamb!

mb - lamb - /m/

Chants:

Make sure that you check the map!

m - map - /m/

Put the lid on the jam!

m - jam - /m/

Look at the fluffy lamb!

mb - lamb - /m/

The trees change colors in autumn!

mn - autumn - /m/

Wh

Words with Silent -e

Question Words

Action Words

Sound Words

*White, Who, Whisk, Whistle)

Chant:

Did you find a conch shell?

sh - shell - /sh/

That fish is swimming so well!

-sh - fish - /sh/

Chant:

Did you find a conch shell?

sh - shell - /sh/

My compliments go to the chef!

ch - chef - /sh/

That fish is swimming so well!

-sh - fish - /sh/

Note The ch digraph will make the /sh/ sound when it originates from French words. Think chef, chic, chandelier, chalet.

Chant:

Did you find the treasure chest?

ch - chest - /ch/

Help me eat this yummy peach!

-ch - peach - /ch/

This ending -ch is most commonly used when there is a long vowel sound, an r-controlled vowel, or a consonant that follows the vowel sound.

ch

/ch/

ch

Chant:

Did you find the treasure chest?

ch - chest - /ch/

Help me eat this yummy peach!

-ch - peach - /ch/

Did you see the chick hatch?

-tch - hatch - /ch/

We use the -ch ending when we hear a long vowel sound, a consonant sound, or an r-controlled vowel sound before the /ch/ sound

Ex: (cherry, bunch, reach)

We use -tch most commonly when it follows a short vowel **Ex:** (pitch, match, catch)

Not Voiced
